

COMPANY PROFILE

Multi-brand distributor, all categories.

Evandre Distribution is an independent distributor working directly with brands, manufacturers and wholesalers, and distributing their new products on Amazon and other marketplaces in France and the European Union.

HOW WE WORK

- **Outright purchase:** we buy and pay for the stock, no consignment.
- **Amazon FBA:** stock in Amazon warehouses; on Amazon, shipping, returns and customer service handled by FBA.
- **European marketplaces:** only those you authorise.
- **Regular reorders** of products that sell.

FOR BRANDS

A new online sales channel with no logistics to manage, while respecting your distribution rules, your territories and your brand image.

OUR COMMITMENTS

- An identified, traceable source for every product.
- A purchase invoice kept on file for every batch.
- New products in original packaging.
- Immediate removal of any product reported by a brand.
- Sales limited to France and the European Union.
